RE: FOIA Request COW2011000776

Dear Mr. Eliseuson

I understand that there has been extensive discussion concerning the status of your client with regard to the client's FOIA Request.

This is to formally advise you that USCIS recognizes your client is within the definition of a "news media" requester as set forth by the FOIA law and regulations. As a news media requester the question of waiving any fees associated with the request does not arise, because a news media requester is not charged fees for a FOIA request.

Also be advised that USCIS is presently gathering the documents requested from the various components of the organization to provide pursuant to your client's request which are then subject to processing pursuant to the law; but be assured USCIS will comply with your client's request.

Sincerely,

A handwritten signature in black ink, appearing to read "Jill A. Eggleston".

Jill A. Eggleston
Director, FOIA Operations
